

Remarks

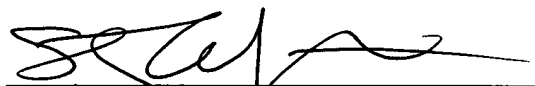

With respect to the species election requirement, Applicant elects Species 4 (Claims 72-75) with traverse. Claims 72-75 read on the elected species. With respect to the subspecies election requirement, Applicant elects the subspecies 1 (Figures 1-3) with traverse. Claims 72-75 read on the elected species, and on the elected subspecies.

The reason for the traverse is that species 1 (Claims 55-60), species 2 (Claims 61-66) and species 4 (Claims 72-75) are all directed to the same invention. In this regard, Applicant has admitted on the record (Amendment dated April 22, 2005) that Species 1, 2 and 4 are not patentably distinct.

Favorable consideration and allowance of claims 55-66 and 72-75 is respectfully requested. Should any issues arise that will advance this case to allowance, the Examiner is asked to contact the undersigned by telephone.

DATED this 29th day of July, 2005.

Respectfully submitted:

STEPHEN A. GRATTON
